Fax: (414) 479-8989

CARLA A. LEDESMA
City Clerk

December 15, 2011

To Our Nursing Homes, Care Facilities, Retirement Living Facilities
Regarding those voters registered as permanent indefinitely confined absentee voters:

Attached in this email is a brochure explaining who and how a permanent indefinitely confined absentee voter goes about voting with the new election laws going into effect as of 2012. You do not need to print off and distribute this brochure to all of your residents, but have a few copies on hand in order to explain the process to them if they are in question. You and other staff members will also be aware of the changes and what is required of you and/or your facility as well as the voters.

You will also find the newest Voter Registration Form – **PLEASE DISCARD ALL OF THE OLD REGISTRATION FORMS AND ONLY USE THE NEW FORMS.** The new forms include vital information that we MUST have in order to process registrations and the old forms do not request the same information.

If you have a problem printing off the Voter Registration Forms, please contact me and I can send some to you and then you can make copies for your residents. I will also be sending you a new ABSENTEE VOTER APPLICATION once the Government Accountability Board has made the revisions.

Please feel free to contact me with any questions or any help you might need.

Sincerely,

Joanne Pelczynski
Election Clerk
